

Flower Maker

The magician shows the audience an empty transparent rectangular tube. Suddenly a colored flower appears inside the tube. The flower is taken from the tube and placed on the table or handed to an assistant. Then, quite magically, three more colorful flowers visibly appear one by one inside the empty tube!

- Easy to do and great for any kind of audience... particularly for children.
- The tube is made in Plexiglas and is cm 24,5 (9,64") tall and cm 7 (2,75") on each side. The four flowers are also supplied.
- The instructions are supplied as a practical video download. They are not spoken and completely visual. This makes them very easy to follow regardless of the nationality of the buyer.
