

## **Bicycle Starlight Solar Playing Cards - Special Limited Print Run**

The Starlight Solar deck was originally released October, 2017. This re-print has a limited print run of 2303 decks and a special limited print run seal. Get one now before they are all gone once again!

Set your sights to the sky and look deep into the glowing orb of light. The Solar deck will hypnotize you with its signature afterglow piercing through a pitch black abyss. Add the Starlight Solar to your robust collection of the popular starlight series made by Collectable Playing Cards and produced by USPCC.

- Bicycle branded.
- 100% hand drawn artwork and custom pips.
- Custom seal.
- Air-cushion finish.

The back card is a stunning yellow ball of fire swirling through the sky. The black backdrop and speckles of stars play really nicely off of the twilight blaze which fogs across the entire back.

The court cards and numbered cards come as the standard starlight images with the new yellow and orange glow.
