

Instant Cash (Brown) by Pierre Velarde

What is **Instant Cash**?

Instant Cash is a brand-new visual effect that allows you to transform your card holder wallet into real money.

Features:

- Easy to do.
- Instant reset.
- Fits in your pocket.
- Designed to use with real bills.
- No funny moves.
- No elastics.

Instant Cash

comes with everything you need and it is always ready to perform.

You can perform **Instant Cash** in close-up, street and stage magic.
