

Fusion By Axel Vergnaud (Bicycle cards)

An unbelievable magic routine, full of surprises, that will leave your spectators breathless!

Basic effect: four playing cards of a kind are shown. Mysteriously, one at a time, they start turning over. At the end, three of the cards suddenly turn blank, and all magically fuse into the fourth card.

Other routines are also explained including a jaw dropping routine with a card signed by the spectator.

- Video instructions included.
- Specially printed Bicycle cards and an elegant card holder are provided.
