

Gravity Lock

We are proud to introduce this beauty that is nearly impossible to find on the magic market. This is likely to be absolutely the best Gravity Lock that has ever been manufactured, and at price that you will not believe!

This common looking padlock is made to perfection. It is supplied with 8 keys any one of which can either open or not the padlock itself and will always be under your complete control.

This padlock will be your “Key” to many mental masterpieces, and its use will be limited just by your imagination!
