

## Silent Linking Rings

The magician shows three ribbon rings (one red, one blue, and one yellow) and a cardboard cone. He places the rings one by one inside the cone, leaving the last one outside. After a magical gesture, he reveals that the three ribbons are now mysteriously linked together!

Great Classic Brought Up to Date.

From the "Spectators'" perspective: "The Chinese Linking Rings are one of the highlights of stage magic. The effect of solid penetrating solid has always fascinated even the most seasoned spectators. Anyone attending a stage magic show eagerly awaits this stunning effect once again. It's an absolute killer!"

From the "Magician's" perspective: "Here's the struggle! It takes hard work to master the routine, the rings are heavy... and let's not even talk about the noise!"

The solution: "The Silent Chinese Rings"!

- No noise.
- Guaranteed impact.
- Super lightweight props.
- Easy to perform (this is one of those "tricks anyone can do"!)
- What more can we say?... Just watch the effect for yourself, and you'll be convinced!
