

No.13 Table Players Vol. 4 (Cavett) by Kings Wild Project - Pokerdeck

Cavett

is the 4th volume in the six volume Table Players subscription series. Named after my nephew, the deck follows the direction of the Table Players series, taking inspiration from vintage tobacco and cigarette packaging from the early 20th century. The beautiful letter-pressed tuck case, hints of red foiling, and rich color palette amplify the clean and elegant artwork in the deck.
