

Military by Riffle Shuffle - Pokerdeck

The Military Playing Cards pays tribute to all the front-line military men and women who protect our home. The Military Playing Cards takes the look of a military vehicle throughout the tuck case, and can you guess who awaits you in the tuck case? That's right, all the soldiers and medics and officers ready to bring you glory!

The back design takes the look of the canons of tanks with a glorious star in the middle. Every single card in the deck is filled with soldiers and army men with different operations; from Detecting threats, patching the wounded, to offering protection and weapons.

The Military Playing Cards are **Limited to 2500 Decks**. Designed by Andris Sarapovs. Manufactured by the **United States Playing Card Company** with their **Premium Bee Stock**.
