

## Pick & Trick by Florian Flop

If you want to have fun with your fellow magicians, then here's **Pick & Trick**, the first bar game for magicians!

With more than 50 cards, skillfully illustrated by Clémentine Bleurvacq, challenge yourselves to magical evenings where creativity is king! Simply pick a card and let the challenge be your guide!

*"Do a trick with your eyes closed", "The whole table must take part in the magic trick", "Something's getting hot", ...* Through all these challenges, progress in the art of improvisation. A game in which each magician in turn can draw a card and take part in the game! What's more, the cards are in both French and English, so there's no excuse not to bring this game along to your magic conventions!

What's more, a number of special cards have been created in collaboration with renowned magicians! Markobi, Jonathan Renoux, the French Twins, Axel Adler, Rubi Ferez and Juan Colas have all created a card especially for **Pick and Trick!**

So, what are you waiting for, to get your hands on this special set for your magic evenings?
