

Himber Coin Purse

The magician takes a coin out of his coin purse, makes it disappear and then retrieves it from the previously empty coin purse. The magician can put a quarter into the coin purse and suddenly when he opens it again, the quarter will have become a half dollar!

With the help of this special coin purse you can swap, disappear and reappear any small object such as a ring, a billet, beads, a torn corner of a card, etc... not just coins!

- Only the coin purse is provided, made of genuine leather.
