

Distancia (Euro) by Les French Twins

DISTANCIA

is a high-end magic device developed over two years. It allows magicians to perform impossible feats, such as making a coin turn over inside a spectator's hands or having a deck cut itself to a chosen card. Engineered with ultra-premium materials, it's more powerful and durable than anything else on the market.

USA Version: Includes a gimmicked Half Dollar coin.

EURO Version: Includes a gimmicked 50-cent Euro coin.

Warnings & Compliance: DISTANCIA contains strong magnets and must be kept 2 feet away from electronic devices, credit cards, watches, and individuals sensitive to magnetic fields. We will ensure all necessary hazard notifications are included.
