

## Dragon Tube by George Iglesias and Twister Magic

Prepare to amaze your audience like never before with **Dragon Tube**, an incredible deceiving method to appear, disappear or transform multiple objects! A classic magic trick totally reengineered by George Iglesias and the Twister Magic team!

You show a tube 360 degrees, then you open it fully to reveal nothing inside. But then, in a blink of an eye, magic begins to happen, out of that same tube, you can pull colorful silks, candies, ropes, toys, and countless objects!

But **Dragon Tube** is more than just an appearing prop, you can also transform things or vanish items instantly and with ease.

Place any item inside and make it vanish or insert a white silk, and magically make it emerge in vibrant colors. The **Dragon Tube** lets you explore endless possibilities, with the only limit being your imagination.

- **Effortless & Fun** - Perfect for pros and beginners alike!
- **Ready to Present** - No complex setup. Just grab and go!
- **Instant Reset** - Perform again and again, without missing a beat.
- **Built to Last** - Constructed from durable material and six neodymium magnets to withstand countless performances

### Add flair and versatility

to every magic show with this utility prop that brings surprise and delight to all ages. Whether you're making objects appear, vanish, or transform, **Dragon Tube** will become your new favorite sidekick on stage.
