

4 FLUSH BLUE by Nick Trost and Murphy's Magic

Nick Trost's 4 FLUSH is a quick, super-visual Miracle!

You start by showing five blank-faced cards and one Four of Clubs. The Four of clubs is brushed against two of the blank cards and they change to Fours! This is repeated with the other blank cards! At the end of the routine each and every card has turned into the four of clubs. And to top things off, ALL of the cards are shown FRONT AND BACK!

This In-the hands "Wild Card" effect is perfect for walkaround, close-up, and street magic.
