

MAXI TWISTO BLUE by Nick Trost & Murphy's Magic Supplies

MAXI TWISTO

is Nick Trost's version of Vernon's classic; Twisting the Aces. You start by showing four aces, One at a time, the aces visually turnover in your hands.

This in and of itself is a killer effect. Trost takes this up a few notches by magically changing ALL four aces into a ROYAL FLUSH in Spades! Each card is shown front and back.. This mind-blowing effect is super easy to perform and easy to learn!
