

Never Late by Marc Céliandre

Never Late

by Damien Vappereau & Marc Céliandre is a unique and entertaining mentalism routine in which a spectator helps you rediscover the exact time of a completely forgotten appointment.

Thanks to special business cards and a breathtaking sequence, you unveil the information with astonishing precision!

Full of laughter and surprise, this routine thrives on interaction and suspense, leaving the audience speechless. The effect is instant, engaging, and utterly inexplicable.

Ideal for energizing any performance and captivating your audience, Never Late proves that even with a faulty memory, it's always possible to be perfectly on time!
