

Jack the Ripper & Sherlock Holmes (Stalemate Edition) - Pokerdeck

Inspired by the shadowy underbelly of 19th-century London, each card is meticulously designed to reflect the eerie atmosphere of the era. From gas-lit alleys to cryptic symbols hidden within the artwork. Can you bring the killer to light before the next crime occurs?

Detective's Tuck Box

A mysterious, unfolding experience sealed with a wax emblem. To access the cards, you must carefully unfold the tuck box, revealing an intricate design that captures the essence of a detective's thrilling pursuit.

Card Back

The card back design mimics the eerie door of the Shadow Vanishing Tuck Box, with intricate details that reflect its vintage aesthetic. The design evokes a sense of mystery and suspense, perfectly complementing the dark, haunting themes of the deck. The vintage touches add to the overall atmosphere, making each card feel like a part of a timeless enigma waiting to be solved.

Court Cards

The motley crew of suspects are depicted the suspects are depicted with normal, unassuming faces, seamlessly blending into the shadows of London's criminal underworld.

Special Puzzle Game

A ruthless killer roams the streets, and four gruesome murders have already shaken the city. **Sherlock Holmes** needs your help, before the next victim falls. Scattered throughout the deck are hidden clues, cryptic messages, and pieces of evidence. Your mission: analyze the hints, follow the trail, and identify the infamous outlaw before time runs out.

Will you rise to the challenge and solve the mystery, or will **Jack the Ripper** vanish into the night once again? Unravel the secrets, crack the case, and claim your victory. The hunt for the truth begins now.

To play the puzzle game, you'll need either the complete Collector's Set or The Checkmate Edition and Castling Edition or **Stalemate Edition** and **Skewer Edition**. These editions contain the full set of clues necessary to solve the mystery. Only those with keen observation and sharp deduction skills will be able to crack the case.

Do you have what it takes to solve the greatest mystery of Victorian London? The chase is on.
