

Palmo Silk Gimmick

The **Palmo** is used for vanishing silks and doing color changes with larger silks. The **Palmo** is a special barrel shaped dye tube that is extra-large. There is no "tape" in the middle of this great gimmick. The Palmo can be used to easily produce, vanish, or switch 18-inch silk scarves.

- The **Palmo** measures 2" long and 1.5" in diameter.
- 7/8-inch small hole and 1-inch large hole.
- Written instructions.
