

HYPNOTIC CHOICE (Gimmicks and Instructions) by Apprentice Magic

EFFECT:

Get ready for a mind-blowing experience with HYPNOTIC CHOICE! The spectator has complete freedom to choose any one of three mesmerizing "hypnotic" symbol cards-there's absolutely no force, no sleight of hand and no manipulation. The choice is entirely theirs.

But here's where the magic happens: despite this completely fair and open selection process, the magician never fails to reveal the exact card the spectator has chosen. How? Well, the magician boldly claims to have "hypnotized" the spectator into selecting a specific card without them even realizing it.

To make his extraordinary claim undeniable, the magician takes it a step further, showing that he knew all along exactly which card the spectator would choose. It's as if he had planted the choice in their mind through a stunning display of apparent "hypnosis."

Prepare to be amazed as the boundaries between mind and magic blur in this unforgettable performance with HYPNOTIC CHOICE!
