

Chop Cup - Aluminum

A Classic of close up magic, with a special polished aluminum cup. The effect consists of a ball that appears and disappears continuously from the chop cup. The ball ends up in your pocket and then mysteriously returns under the chop cup. At the end, the ball turns into a larger ball, a lemon or different load.

- Easy to learn.
- A succession of surprising effects.
- A trick that never ceases to amaze.
- Dimensions of the cup: int. Diameter. 7 cm (2.75") - Height 7.3 cm (2,87").
- Together with the chop cup we also supply two balls. The final load is not provided and you can choose yourself what to use.
