

Plastic You Can Count On

Plastic You Can Count On

is a straightforward yet astounding 60-second wonder, perfect for those impromptu moments when you're called upon to perform. It features four plastic, see-through cards, enhancing the mystery of the illusion about to unfold.

With four plastic see-through playing cards, this trick is as simple as it is mesmerizing. The cards are displayed face down; two are chosen and inserted into the packet face up. The entire packet is flipped, and the magic unfolds as all the cards are now face down. The cards can be examined; there are no gimmicks, ensuring the authenticity of the trick. It's a breeze to perform and will undoubtedly leave your audience spellbound!

The playing cards, designed for your convenience, are not only easy to carry but also built to last a lifetime, ensuring your investment in magic is secure and long-lasting!
