

Double Jumbo Prediction by Quique Marduk

On the table, the magician displays a stand holding two Bicycle Jumbo cards with their backs facing the audience. He takes a deck of cards, shuffles them, and then a spectator, without seeing their faces, removes any two cards, which the magician places in the stand in front of the jumbo cards. The jumbo cards are revealed and are identical to the cards chosen by the spectator.

- There are no forced cards
- Use any deck
- Perform it on close up or parlor
- Very easy to do
