

Houdini Prediction Frame

The magician presents a frame containing a photo of Harry Houdini, the Master of the Impossible! He asks a spectator to choose a card from the deck without revealing it. With a magical gesture, the magician points to the frame and—just like magic—the chosen card appears in Houdini's hand!

- Simple, direct... MAGICAL!
- The frame measures 28 cm (11,02") x 36 cm (14,17") x 1.3 cm (0,51). The deck of cards is not included.
