

## **Flick Envelope - Zaubertrick mit Geld**

Insert a folded white sheet of paper into the pocket of the sleeve. With a flick, instantly transform the paper into a real banknote!

This accessory has multiple uses: you can make a card appear in the empty pocket, turn cash into a genuine credit card, or create any other incredible transformation you can imagine!

A blink of an eye... and here comes the magic!

You can also use the sleeve with poker-sized playing cards.
