

## **Contactless by Peter and Harry Nardi**

### **Contactless**

**takes a classic mentalism routine and brings it up to date using objects that you would naturally carry in your wallet, which makes it look and feel totally impromptu.**

**It is designed to work with your own ID cards, credit, cards, business cards, membership cards, transit cards, store cards, or any card that makes sense for you.**

**Comes with a custom leather wallet, the necessary add-ons, and access to an online video tutorial. Manufactured by Alakazam Magic.**
