

The Beetle Backs (Legacy Edition) - Pokerdeck

Limited to 1500, the **Beetle Backs Legacy Edition** features a gorgeously embossed tuck case with 3 tons of gold foil pressed on the highest quality 310 gsm cardstock. The cards within are gold gilded and include a classic mirrored back design adorned in beautiful gold cold foil and metallic ink, contrasting with a deep black background. The faces of the cards are also printed with gold cold foil. A true collector's item that will amaze at the card table or on the shelf.

The **Beetle Backs**, presented by The Gentleman Wake and designed by Widakk Design, is the culmination of a two-year long effort to create a deck of cards perfect for collectors, players and magic enthusiasts everywhere. Classic and beautiful, evoking turn-of-the-20th-century style and elegance and the finest modern handling and playing card printing techniques, the **Beetle Backs** also tells the Kafkaesque tale of an embattled entomologist deep in study of his chosen field; the Dynastinae subfamily of scarab beetles.

For players, collectors, and magic enthusiasts, the **Beetle Backs** is a masterwork collection of decks and accessories; a perfect union of classically inspired illustration and modern design, masterfully realized with the absolute highest quality materials and attention to detail. The decks are packaged within premium tuck boxes emblazoned with as many as three foil layers and deep embossing.
