

My Lecture Notes by Julio Montoro

A Treasure Trove of Magic! Straight from his highly acclaimed US lecture tour, which concluded in Las Vegas, we're thrilled to offer you Julio Montoro's exclusive lecture notes—a collection packed with innovation, creativity, and 18 mind-blowing effects!

What You'll Get: 18 powerful tricks that will elevate your magic to the next level. Gimmicks included for most effects—so you can start performing right away! Julio Montoro's expert insights on creativity, helping you craft your own unique magic.

Among others, effects taught include

Appearing Toy Car – A visual shocker that gets gasps!

Everyday Carry T&R – A super practical torn-and-restored effect.

Portable Peek Device – Read minds anywhere with confidence.

Organic Switch Box – A seamless, undetectable switch that fits in your pocket.

Perspective Illusion – A surreal effect that plays with reality.

Incredible Card Tricks that will stun your audience.

Magic with Doritos?! – Yes, you read that right!

Unbeatable Value! If sold separately, these effects would cost over \$500—but now, you can get the entire collection at a fraction of the price!

LIMITED AVAILABILITY – This is a rare opportunity to own Julio Montoro's personal lecture material. Secure your set before they're gone!
