

Infinity W Refill by Peter Kamp and Magic Dream

They're finally back on the market: the official refills for the famous **Infinity W** magic trick by **Peter Kamp & Magic Dream**.

Significantly larger than the one included in the original set, this XXL refill allows you to transform up to **90 liters of water into "wine."** Perfect for multiple performances without running out.

A must-have for pros - stock up while it's available, as supplies are limited. Demand is always high for performing this miracle again and again!

Please note: You must own the **Infinity W** magic trick to perform this effect. This is a **refill only**.

Important Information:

Infinity W is purely an illusion, the liquid changes to a deep burgundy red, but it is not actual wine. To comply with legal regulations regarding product marketing and advertising, Magic Dream no longer uses the word "Wine" in its branding or packaging.

The included powder contains food colorings (Allura Red AC - E129, Indigotine -E132) and a sweetener (Sucralose - E955), but it is not classified as a beverage and does not carry EU certification.
