

The King of Chaos: Ultimate Triumph

The power to turn chaos into order.

From chaos to order — in just one second.

Three master magicians. One legendary project.

The final chapter of this effect is here.

WHAT IS TRIUMPH?

Triumph is one of card magic's most iconic effects: Face-up and face-down cards shuffled into chaos — instantly restored.

3 MASTER VERSIONS

Real Chaos Triumph | Tu Strange (Taiwan Close-Up Champion)

The deck is shuffled into real chaos by the spectator. Still, one card remains face-up — their chosen card. Inspired by Dani DaOrtiz & Lennart Green. A killer routine from a rising star.

Ribbon Spread Triumph | Andost (FISM Close-Up Champion)

The closest thing to the "Holy Grail" version of Triumph. Clean, open, and powerful. Includes a special printed gaff deck — straight from the FISM champion's private collection.

Triumph Theory | Dani DaOrtiz (FISM Special Award Winner)

The Spanish master magician shares his theory, philosophy, and signature touches on Triumph — making the impossible feel effortless. Pure psychological magic.
