

Stolen by Urbain

A new Ring Flight, modern and powerful, that can be performed completely surrounded. An extremely visual vanish and a most unexpected reappearance...

THE PERFECT RING FLIGHT

Imagine a Ring Flight that can be performed completely surrounded, where the spectator themselves places the ring on the safety pin. All under truly impossible conditions! After Ignite, Bottle Pocket, and Coffee Break, Gentlemen's Magic is proud to present Stolen, the latest creation by Urbain.

A TOTALLY IMPOSSIBLE EFFECT

Imagine... You borrow a spectator's ring—an object precious and full of emotion. The spectator places it onto a safety pin that you hold delicately between your fingers. In the blink of an eye, the pin vanishes right before their eyes! Where did it go?

You reach into your pocket and take out your wallet. In utterly impossible conditions, the pin and the ring have traveled together and are now securely attached to the wallet.

STUNNING VANISH

The vanish is extremely visual and truly mind-blowing. Don't blink

IMPOSSIBLE REVELATION

The revelation in an impossible location on your wallet will leave your spectators speechless.

NOTE: Ignite, the lighter that produces the flash effect, is not included in the package. However, it is available separately and can be purchased on its own.
