

## Secret Escape Box - Maze 1 Truck

Perfect for puzzle enthusiasts, truck lovers, and anyone looking for a fun and rewarding experience. The Maze1 Truck puzzle box looks like a model wooden truck but it holds a secret compartment inside.

In order to find it you'll need to navigate the maze within.

An awesome puzzle box that looks fantastic on display, (ie. the coffee table). Perhaps the next person sitting on your couch will wonder how to open it.

Comes assembled. Difficulty Level 5.
