

Coin Guessing Game by LT Magic

The **Coin Guessing Game** is a simple, interactive effect that's loved around the world. Whether you're in a bar, at a party, or stuck in an awkward moment with nothing to say - this clever prop gives you the perfect icebreaker.

You toss a coin, and the spectator guesses heads or tails. They can always be right. Or always wrong. The outcome is completely under your control.

It's not just a trick - it's a social tool you'll actually use. What looks like a simple game becomes a powerful display of influence, prediction, or psychological control - limited only by your presentation.

Why Coin Guessing Game?

- **Casual, Fun & Engaging** - Perfect for spontaneous moments and real-world situations.
- **Practical & Pocket-Sized** - Lightweight and compact. Perfect for everyday carry and performance.
- **Versatile Presentation Styles** - Play it light and casual, or frame it as mind reading or psychological manipulation.
- **Learn in Minutes, Use for a Lifetime** - Easy to master, and always ready to go.

If you're looking for a simple, effective piece of magic you'll actually use, **Coin Guessing Game** belongs in your everyday kit.
