

Dream of Butterflies by YD Cards

Crafted with top-tier features for cardistry, magic, and casual play, **Dream of Butterflies** represents the highest standard in modern playing card production:

- **Printed by USPCC** (U.S. Playing Card Company) for unmatched quality
- **Premium Bee stock** for superior handling and durability
- **Traditional cut** for smoother shuffles and sleights
- **Purple metallic ink** on both card backs, faces including all red suits, and tuck box.

Designs:

- **Unique mirrored logo design** for visual flair during flourishes
- **Transparent court cards** with layered artwork
- **Distinct Jokers** for versatility across games and performances

More than just cards, Dream of Butterflies is a **non-profit** project founded by a high school student who won first place in a **UNESCO (United Nations Educational, Scientific and Cultural Organization)** education competition, with hands-on experience developing programs in rural Yunnan. All profits are donated to support children's growth and education in underserved areas.
