Gosh, so much magic with regular cards! Top-quality Bicycle/USPCC cards supplied (no sticky rough n smooth) and brief online video tutorial; one assumes you know basic card handling. **LOOK:** Duplicate Jokers are shown both sides...then backs appear...then the backs change color! Watch the honest live-performance unedited promo trailer and be fooled. HARRY LORAYNE said, *"Hey Paul...it's a killer! A gosh-darn fooler, too!"*
