

PORTABLE by Quique Marduk

PORTABLE

has 80 cm high, weighing only 650 grams and his assembly takes less than 2 minutes.

PORTABLE is a practical, resistant and elegant table that fits in any briefcase.

Its Polyestylene high impact table top measures is 30 cm on each side and its aluminum pipes are fire painted.

It comes with a carrying bag and a nice tablecloth. The carrying bag can be also used as a tablecloth.

A model with a height-adjustable shelf is also available.
