

## **Selfie Catch by Gustavo Raley**

Gustavo Raley created a new method to find a signed card.

Selfie sticks are daily elements for everyone, reason why the magic effect it is even more amazing.

Take a picture with any spectator after freely choosing and signing a playing card. Ask the spectator to lose the card in the deck and shuffle it.

Right after that, take away your phone from the device. Toss the deck to the air and catch the selected card with the top of the stick!

Easy to do and ideal for any kind of shows, from street magic to stage performances.

Comes complete with special selfie stick.
