

## HANDY DANDY DUMPER (Sponge Delivery Device)

Quit playing pocket pool and get ready to drop a massive load into your hand for an explosive finale to your sponge ball or multiplying rabbits routine with the **Handy Dandy Dumper** - the one handed sponge prop holdout!

With no pockets necessary you can easily thumb you dumper to deliver an individual or collection of sponge items to your awaiting fingertips faster than you can say "Oh My Goshman" and discreetly hold them out until you're ready for deployment.

The **Handy Dandy Dumper** works with nearly any close-up sponge item and holds individual or multiples secretly and securely until you're ready to release your load!

- Load chamber size: 1inx3in + some flexible room
- (Example max load: 10x 2-in standard sponge balls)

**\*Sponge items not included**
