

The Very Best of John Carey - Buch

356 pages, 180+ routines, 12 hours of video content - all in one essential volume.

John Carey has long been one of the most respected creators in magic-known for his efficient, practical, and deeply deceptive material. Now, for the first time, the very best of his work has been assembled into one beautiful, hard-bound book that you'll reach for again and again.

This is **The Very Best of John Carey**-a powerhouse compilation of over 180 of John's finest card, coin, and mentalism routines, curated from seven of his most beloved books:

- Crafted With Carey
- Minimalistica
- The Carey Files
- Carey's Way
- Me, My Cards & I
- Reflections
- Myriad

Each routine reflects John's signature style: streamlined construction, real-world practicality, and powerful impact. Whether you're a working pro or a hobbyist, you'll find material here that's immediately performable and refreshingly doable.

What You Get:

- 356 pages packed with commercial, accessible magic
- Over 12 hours of video instruction via QR codes-no guesswork
- Workshops & lectures on equivoque, sandwich tricks, coins, and more
- John's complete 'Super Session' lecture and foundational toolkit session
- Multiple never-before-taught effects, exclusive to this collection

Whether you're looking to refine your technique, expand your repertoire, or finally learn that one John Carey routine you saw in a lecture years ago-this book has it all.

The Very Best of John Carey isn't just a greatest hits collection-it's a masterclass in modern close-up magic.
