

Ionia: Magician Princess Secrets Unlocked by Charles Greene III - Buch

In 1910, **Ionia**, Goddess of Mystery, was the pre-eminent female magician of her time. At the age of twenty-two, she began touring around the European continent with a large illusion show. It was a no-expense-spared theatrical production with a cast of several people, exotic animals, custom scenery, and colorful lithograph posters. Yet, in 1913, after a few years of performances and rave reviews, she vanished without a trace.

Who was Ionia? Where did she go? Why was she in Russia?

Clementine's history is a collage of enticing mysteries. Discover her dramatic journey of transformation from Ionia the magician to Princess Clementine Eristavi Tchitcherine. You hold the key. Read this book. Unlock her secrets.

The only book with the complete story of Ionia and all those in her close orbit.
