

Good Pals Red Logo - Pokerdeck

Introducing the third unique release from **Good Pals! Good Pals Logo Playing Cards** follows on from our previous releases (Chancers & Halloween Tales) with a classical approach to playing cards suitable for game play and magic whilst also keeping that **Good Pals** vibe throughout.

This is reflected within our new court cards, which are familiar at first glance and are highly usable for game play and magic but also bring a modern design with our youthful and vibrantly colored characters.

We believe these logo decks strike the perfect balance between **Good Pals** branding, traditional card design, practicality and collectability.

The logo decks are a staple within the **Good Pals** collection and are designed to be an everyday carry or even a worker's deck.
