

Tempo Green - Pokerdeck

TEMPO is born out of innovation, aiming to present a unique cardistry concept to the world through the creation of high-quality, creative products, and to explore the infinite possibilities of cardistry.

The Tempo Green features a three-tier telescopic card box structure, coupled with a stylish color-block design, vibrant green color, bringing you a trendy and enjoyable visual experience. Pulling the top of the card box, it instantly extends and unfolds into three layers. Using such a card box provides you with a visually impactful opening and closing experience.
