

Bottom's Up by Tobias Dostal

The latest miracle from the mind of Tobias Dostal

BOTTOM'S UP

This is not just one trick. It is a full toolkit for visual, off-the-cuff magic that hits!

Bottom's Up comes with three precision made gimmicks that allow you to perform a wide range of stunning effects, including:

- Vanishing Bottle
- Self Bending Bottle Cap
- Signed Coin Through Bottle
- And so much more

Each gimmick is built for real performers. Fast reset. Durable construction. And just like every Tobias Dostal project, the routines are designed so your audience can examine everything after you hand them the bottle or cap.

What's in the box:

- One Top Gimmick (Brown)
- One Bottom Gimmick (Brown)
- One Self Bending Cap (Black)
- QR Code with over one hour of expert instruction from Tobias Dostal
- More than ten routines covering everything from beginner to intermediate level

Whether you are at a bar, on stage, or just showing a friend something wild, this is visual magic that feels real.

Bottom's Up

Surprising. Organic. Powerful.
