

Displacement (Red) by Anthony Vasquez

Imagine this

: the spectator chooses any card, places it in the middle of the deck, and you calmly put the cards away in their box. It looks like everything is over... until, with a simple gesture, the chosen card appears outside the box, in the most impossible location.

*With **DISPLACEMENT**, you'll have the power to make a card escape its confinement in a way that is clean, direct, and visual.*

What's included:

- *2 custom gimmicks designed to make the effect effortless.*
- *Full explanations of powerful routines, so you can start amazing your audience right away.*

*Whether you're performing close-up, street magic, or formal shows, **DISPLACEMENT** will become your secret weapon to create unforgettable moments.*
