

Prequel Classic Edition by Room One Cards

A nostalgic throwback in the midst of the digital era; each card a nostalgic tribute to the golden age of North American animation. Inspired by the art style of a long lineage of North American animation, from Disney Animation and Warner Bros. Animations, and even to Cuphead, these cards feature whimsical characters and exaggerated expressions, each reminiscent of the hand-drawn marvels that once captivated audiences. Each deck tells a story, depicting daring adventures to heartfelt moments, all rendered in nostalgic colorways that echo the timeless charm of early animation.

PREQUEL Colorful and Whimsical

A wholesome journey into a colorful land of joy and goodness. The **PREQUEL Editions** show a world of harmony and fun, in which our carefree protagonist laughs and prances. Both **PREQUEL CLASSIC** and **PREQUEL GILDED** share the same Tuck Box and illustrations*

Featuring an embossed multi-color tuck box with a fully printed interior decorated with the classic cartoon 5-pointed star, the **Prequel Editions** reflect the playful nature and uplifting mood of our cute canine protagonist.

Court Cards

The Court cards feature colorful, cartoonish depictions of all that is wonderful in the world, from simple joys of indulging in a delicious drink, to appreciating the beauty of flowers. Each card building a world and enjoyable journey which our protagonist embarks on.

Number Cards

Each number card features atypical pip placements, which are adorned with 4 unique motifs representing the suits. Each motif reflecting the whimsical and colorful world which classic animations present the audience with.

- Stars
- Daisies
- Sparkles
- Music Notes (Eighth Note)
