

The Hummingbirds by Luke Jermy - Buch

"The Hummingbirds": A Masterful Evolution of the Rising Card.

The Rising Card stands as a pillar of magic, captivating audiences for hundreds of years. While many have attempted to leave their mark on this legendary effect, Luke Jermy is among the rare few who have truly revolutionized its core. With **"The Hummingbirds"**, Luke has elevated this classic into a full, breathtaking performance that will stay with your audience long after you've finished.

As is expected from Luke Jermy, every moment of this routine is flawlessly scripted. Each move is intentional, guiding your audience on a hypnotic journey from beginning to end.

What distinguishes **"The Hummingbirds"** is its elegant and straightforward method. It is arguably the most beautiful solution for making three cards rise from a deck. The trick can be performed with any borrowed deck and any glass, offering unparalleled flexibility.

This innovative new approach completely does away with threads being tethered to you, eliminating the worry of them breaking at a critical moment. The cards are never connected and can be freely handled and shuffled throughout the routine, making for an incredibly clean and impactful effect.

Luke goes beyond simply teaching the mechanics; he shares the deeper insights and subtleties he's uncovered over a lifetime of perfecting the Rising Card.

"The Hummingbirds" is one of the most powerful contributions Luke Jermy has ever given to the magic community. It's a true work of art that will inspire belief in your audiences. Purchase your copy today!

"The most practical and innovative method for the rising cards I've ever seen. I love performing this routine."

- **Andi Gladwin**

"There are very magicians who make me feel magic is real. Luke Jermy is one of them. This routine is marvelous; it is profoundly magical and because of the way it looks in live performance it feels 'eerie'. I felt it and concluded this is one of the finest compositions for The Rising Cards I have ever seen. Bravo Luke and

to Vanishing Inc for making this available."

- **Michael Vincent**

"Jermay's Hummingbirds is the best Rising Card routine that anyone could perform today."

- **Richard Kaufman**

"Supremely magical."

- **Eric Mead**
