

tWO (2) eSSAYS aND tHREE [3] tRICKS. by Julio Montoro (Spanish) - Buch

We celebrate the launching of Ultrabello with this booklet written by the awarded inventor Julio Montoro.

In this booklet from Ultrabello, Montoro shares 2 essays about his thoughts in magic:

ESSAY #ONE: *[The Creativity Dissociation Theory]* An immersion into Montoro's mind and the way in which he creates magic.

ESSAY #TWO: *[I am a trickster]* A vision about how good is it to be a trickster.

And three tricks:

TRICK #ONE: *[Ambitious Lego]* A step by step process on how to construct Montoro's Ambitious Lego.

TRICK #TWO: *[Rejoined Post-it]* The cheapest way to perform Montoro's Rejoined.

TRICK #THREE: *[S.O.S: Souvenir Omni Stack]* A new idea that has been in Montoro's hand for a while.

Available in English and Spanish.
