

King Arthur V2 (Silver Fairyland) by KING STAR - Pokerdeck

Its color scheme is composed of various shades of blue, white, and silver, colors that symbolize dreams and tranquility. His legend will be sung by bards forever, and if darkness returns one day, his sword will once again shine with a brilliant light.

The back of card: It depicts the scene after the final battle of the Sword Bar, reflecting King Arthur's inner memories and regrets. Unfortunately, it's too late, and the pierced red dragon symbolizes her fate.
