

SNICKY by Patricio, Bond Lee, & MS Magic

Co-created by the brilliant magicians Patricio and Bond Lee, **Snicky** redefines visual magic with its stunning transformations.

A single playing card instantly turns into a delicious chocolate bar in your hands- even take it further by making one chocolate bar multiply into two, then share one with your audience for an unforgettable interactive moment.

Snicky boasts three core advantages that make it a must-have for every magician:

- **Extremely Visual:** Its breathtaking effect leaves audiences stunned, ensuring maximum impact.
- **Easy to do:** No complex skills required, making it accessible for magicians of all levels.
- **Customizable:** Personalize the prop to fit your style-whether it's wrapping it in your country's chocolate packaging or redesigning it to look like other snacks, the creative possibilities are endless.

Perfect for visual magicians, social media content creation, and TV shows, **Snicky** is your ticket to crafting jaw-dropping magic moments.
