Note:

Please select the variant based on whether you're right- or left-handed. This refers to the hand used to hold the object to be vanished, not the side on which it's installed.

With TOPIT 180, you can make a small object vanish at any time! Vanish, steal, and ditch Using the same device, easy to transfer between jackets.

The TOPIT 180, born in the 19th century, remains one of the most powerful tools for magicians today. While there have been several versions throughout history, none have fundamentally changed the way this tool is used, until David Penn's TOPIT 180, .

With TOPIT 180, , you can make a small object vanish at any time! This can be presented as a full effect or used to covertly "finish clean" after an effect that requires a gimmick.

Both its structure and effect have elevated this classic to new heights. TOPIT 180, is the first Topit of its kind that allows you to vanish, steal, and ditch objects using the same device. Its design makes it easy to transfer between jackets.

As shown in the trailer, the same object can then be retrieved with minimal misdirection after it's transited to a holding area, all built into the TOPIT 180, . This area can also be used to ditch objects covertly, giving you incredible freedom in your routine.

The TOPIT 180, inherits all the advantages of the traditional Topit while offering infinite possibilities the original could never achieve.

If you're familiar with a Topit, you'll revel in these new possibilities. However, if you're new to topitting, David covers absolutely everything in the comprehensive download that you'll have access to.

There's over 75 minutes of tutorial content, teaching techniques for vanishing, stealing, and ditching small objects. You'll also learn effects

with: Metal Bending, Candles, 8-Ball Transformations, Glass Restorations, Coin in Bottle, and Salt Pot Vanishes. TOPIT 180, is the ultimate Topit!
