

Cthulhu: Luminescence of Yore deck by Evokad

In this project, we present three works to you all - all of them use the grating technique on the card boxes to showcase the bizarre experiences of the legendary investigators in the Cthulhu Mythos.

Front grating: The changing effects of Shining Polyhedron 38

Back grating: The Church of Star Wisdom, Miskatonic University Library, Shining Polyhedron 38

"**Luminescence of Yore**" and "**Eclipse of Aeons**" feature four legendary investigators from the Cthulhu Mythos as their main characters: Randolph Carter, Robert Black, Henry Armitage and Nathaniel Wingate Peasley.
