

Flexible Mocha Mousse by TCC - Pokerdeck

Inspired by Pantone's 2025 trending color - **Mocha Mousse** - a soft hue born from the perfect fusion of milk and coffee.

You may have heard of the term "Comfort Food," referring to dishes that bring a sense of happiness and emotional comfort when we feel tired, anxious, or down. Mocha Mousse is just like a visual "Comfort Food," a gentle color that seeks to evoke a sense of calm and resonance when we are in need of emotional solace.

Brand-new dynamic back design: as the cards ripple through your hands, the delicate chocolate hue slowly blends into the cream, creating a soft and velvety flow at your fingertips.

The familiar ribbon design along the card edges adds a touch of elegance and fluidity during fans and various cardistry moves.

Printed exclusively on TCC's dedicated production line, the thinner stock and refined printing techniques deliver exceptional handling, making it perfectly suited for cardistry.
